50. Memoriams

In memory of our son, Larry Houston Johnson, who has been gone 18 years today, January 10, 1965.
The month of January is once more here.
For 18 years today the one we love so dear was taken away.
God knows how much we miss you.
Never shall the memory of you fade.
Loving thoughts will ever wander to the spot where you were laid.
A happy home we once enjoyed.
How sweet the memory still when all is still and silent and sleep forsake our eyes.
Our thoughts are in the silent grave where our dear son lies.
Mom & Dad,
Herman and Gracie Johnson

APPOMATTOX COUNTY YOUTH VOLUNTEERS are shown with some of the children they treated to a shopping spree in Lynchburg before Christmas. The Youth Volunteers, sponsored by the Adult Volunteers are planning other activities that revolve around helping others intheir community.

Young people volunteer

Appomattox Junior Volunteers experienced the true spirit of Christmas last month. With money they had earned at a bake sale, the group treated several young Appomattox children who might not otherwise have the opportunity, to the movies, to eat and to shop while enjoying the Christmas decorations at River Ridge Mall.

The group of 13 Junior Volunteers from the sixth through the ninth grades meet monthly to 'help others' in their community.

Members of the group are learning Community Services, Public Relations and Leadership Development.

Officers are President, Jennifer Coleman; Vice President, Kathy White; Secretary, Rhonda Ranson.

The Junior Volunteer Group is sponsored by the Senior Volunteers. Children helping others is the purpose behind this newly organized group.

Assembly works on

The Appomattox Assembly is engaging in a joint effort to raise funds for (1) its commitment in establishing programs designed to aid the needy and (2) contributing to the county goal of $57,629.00 for development of the Holiday Lake 4-H Educational Center.

The Assembly feels that all who enjoy the privileges of this facility should contribute towards it's improvement.

Therefore, if you feel as we do, your contributions or pledges, individually, through you church, or other group organizations, may be made to the following: Miss Gail Tanner, Rt. 1 Box 125, Spout Spring, Va. 24593; Appomattox Extension Office, P.O. Important Notice For Continental Telephone Customers
A New Way Of Doing Business

Effective January 1, 1983, Continental Telephone of Virginia and other regulated telephone companies must change the way we do business. This is a result of a Federal Communications Commission decision to "deregulate" telephone equipment.

Under tariffs filed with the Virginia State Corporation Commission, Continental Telephone of Virginia will continue to lease any items of equipment which are in service as of January 1, 1983. After that date, new customers and existing customers requesting additions to their service will have to purchase the desired item. You can buy telephone equipment from Continental or from some other supplier.

If you are now leasing your telephones from Continental, you may continue that arrangement. You also have the option of purchasing your existing equipment or buying new equipment. By purchasing your telephone equipment, you will avoid the monthly rental fee for that item, $2 for a rotary telephone and $3 for a pushbutton telephone.

If you are a party line customer and wish to buy new telephones, modifications may have to be made in the equipment to make it compatible with your party line service. If modification is required, there will be a charge.

Continental provides a 90-day warranty on all new purchased equipment. Maintenance contracts will be available after the warranty period. Maintenance of equipment purchased from other suppliers is the customer's responsibility.

At Continental's Phone Fairs, we offer a wide variety of phones and accessories. Standard and decorator phones, automatic answering equipment, automatic dialers, two line telephones and other accessories are available.

Please call your telephone business office with any questions you may have.

NOTICE OF PROPOSED RULES GOVERNING EXPEDITED RATE INCREASES FILINGS BY ELECTRIC COOPERATIVES

The Virginia State Corporation Commission announced on December 17, 1982 new proposed rules which would govern requests for expedited rate increases sought by electric cooperatives. The proposed rules are designed to curb the financial deterioration currently being experienced by some cooperatives and to assist all Virginia cooperatives in obtaining, and maintaining, the capability to finance at the lowest cost to its members.

The proposals would allow the cooperatives to put in effect limited interim rate increases. Under the proposed rules, the increase is limited to 10% of annual revenues and further limited to the amount required to provide coverage of the interest on the cooperative's long term debt of no more than two and one-half times. In addition, the cooperative is limited to the ratemaking limitations established in prior rate cases in calculating the amount of increase. As a final safeguard, the rules provide that any increase which violates the rules will be refunded and that the cooperative may be precluded from filing for expedited rate relief for a prescribed period of time. Public notice of the increase is required on or before the date the rates are put in effect, and any customer may request to be heard by the Commission on the increase. Within six months of the date the increase goes into effect, the Commission's Staff will investigate the increase and file a report of its investigation. Other provisions of the proposed rules address the area of rate design and treatment of prior wholesale power cost increases.

The text of the proposed rules can be examined at the Commission's Document Control Center, Floor B1, Jefferson Building, Bank and Governor Streets, Richmond, Virginia and at the business offices of each cooperative where customer bills may be paid.

These proposed rules will be considered separately from the rules pending in Case No. PUE820056, which will be limited solely to investor-owned utilities.

Interested persons may submit written comments on the proposed rules on or before January 31, 1983, by writing William C. Young, Clerk, Virginia State Corporation Commission, P.O. Box 2118, Richmond,Virginia 23216 making reference to Case No. PUE820087. Any request to be heard orally must likewise be submitted. The Commission envisions that the final rules in this proceeding will become effective by March 1, 1983.
